

NATIONAL LOCAL TECHNICAL ASSISTANCE PROGRAM ASSOCIATION

Safety Work Group Agenda - Draft

Monday, July 30, 2012

4:30 pm to 5:30 pm

Yellow Rose Ballroom

- **Welcome and Roll Call**
- **Focus on Safety at the Regional Meeting –Janet Leli and Cameron Ishaq**
 - **Overview of “how well did this work”**
 - **What tools or best practices were identified?**
 - **What tools, training or resource do we want to provide at the next regional meeting?**
- **With the passage of MAP-21; how is this going to affect the efforts of the DOTs and Local Agencies with the continued development of a Local Safety Program.- Tony Kane, AASHTO and Brian Roberts, NACE**

Overview of Safety provisions of MAP_21: HSIP funding; Section 402 funding; HRRR elimination; SHSP requirements; performance measures—NHTSA Requirements vs. FHWA’s CONCERNS/ISSUES/OPPORTUNITIES

 - **Data: both collection and analysis of crash and roadway features**
 - **Tracking performance at the local level—rural and urban**
 - **NLTAPA/NACE role in local involvement in development of SHSP’s in each state; and in target setting of fatalities/serious injuries—short term; intermediate term and long term targets/goals**
 - **What service or technical support will be needed by AASHTO and NACE and NLTAPA to reach the targets/ goals proposed by the State DOTs?**
 - **What gaps do the SCHOTS, NACE and LTAP/TTAP Safety Groups need to work together on?**
- **The Northwest Data Peer Exchange August 15 and 16, 2012 Boise, Idaho – Bruce Drewes, Idaho LTAP and Rosemarie Anderson FHWA Office of Safety**
 - **Agenda**
 - **Goals**
 - **Outcomes**
- **Next SWG Meeting: August 13, 2012 - 1:00pm EST**
