SPF Workshop Just prior to TRB: January 10-12, 2014

Deadline to apply: October 4, 2013

The FHWA Office of Safety will be sponsoring a 3-day workshop on Safety Performance Function (SPF) development in advance of the TRB Annual Meeting. There are a limited number of seats available for the workshop, so there is an application process (with a short deadline of October 4). We would appreciate your assistance in delivering the message below to your members and friends.

Workshop on Regression Modeling in Road Safety - Apply now!

A three-day workshop will take place January 10-12, 2014, during the Friday, Saturday and Sunday before the 2014 TRB Annual Meeting in Washington D.C. It will consist of alternating lectures and hands-on work sessions led by Dr. Ezra Hauer, University of Toronto (retired), and Dr. Raghavan Srinivasan, University of North Carolina Highway Safety Research Center.

This workshop is sponsored by the Federal Highway Administration (FHWA) Office of Safety and is free for participants. Attendees are responsible for their own travel and accommodations. For further information and to access the online application,
